a prayer for

SURRENDER, REBIRTH & LIBERATION

Spirit, I stand before you in humble surrender, seeking your guidance and grace on this journey of rebirth and liberation. I release all that holds me back, offering up my burdens, fears, and insecurities to your loving presence.

As I walk the path of transformation, may your light shine upon my soul, illuminating the way to liberation. Help me let go of the past and step into the infinite possibilities of the present moment. Grant me the strength to face my challenges and fears with courage and grace.

a prayer for

SURRENDER, REBIRTH & LIBERATION

I surrender my ego and desires, opening myself to your divine will. May I be a vessel for your love and wisdom, spreading healing and compassion to all beings. Grant me the wisdom to see the beauty and divinity within every soul, fostering unity and understanding among us.
Guide me to release attachments to material possessions and worldly concerns, and help me find true liberation in the simplicity of being. As I surrender to your infinite love and wisdom, may I be reborn into a life filled with purpose, joy, and love.

Thank you Spirit, for your unwavering support and guidance on this journey of surrender, rebirth, and liberation. Amen.

“In the unity of spiritual love, we discover the strength to heal, the power to serve, and the light to transform the world."
