A Prayer For WORLD PEACE

Through the Surrender to Spirit

Spirit, we humbly surrender ourselves to your infinite wisdom and love. We pray for world peace, knowing that through surrender, we find the strength to let go of our differences and embrace unity.

Guide us to release the burdens of hatred, greed, and division that plague our world. Fill our hearts with compassion, understanding, and a deep sense of interconnectedness with all living beings.

May your divine light shine upon every corner of the Earth, bringing forth peace and harmony. Help us to be instruments of your peace, spreading love, kindness, and goodwill to all.

A Prayer For WORLD PEACE

Through the Surrender to Spirit

In our surrender to your spirit, we find the courage to forgive, the wisdom to seek common ground, and the strength to work together for the betterment of humanity. Let your peace flow through us and transform the world.

We offer this prayer with open hearts, trusting in your divine guidance and the power of surrender to bring about a world where peace prevails. Amen.

Thank-you!
